▶ NUTRITION SERVICES

Covington Independent Public Schools participates in the Breakfast, Lunch and After-School Snack programs, as well as the Summer Food Service program.

The district participates in the Community Eligibility Option, which allows for all students, regardless of income, to eat breakfast and lunch at no charge. The district receives federal reimbursement for each school breakfast, lunch and after-school snack that meets the USDA nutritional guidelines.

Nutrition Services plans breakfast and lunch meals according to federal regulations. The department meets the required minimum portions sizes of meat, grains, fruits/vegetables, and a variety of fluid milk during every meal service. The department offers fresh fruits and/or vegetables daily. Students are encouraged to take extra fruits and vegetables with their meals.

The goal of the Nutrition Services Department is to provide all students with a strong foundation on which they can build a lifetime of healthy eating habits.

▶ SCHOOL BREAKFAST

The School Breakfast Program was established in 1966. School districts receive federal reimbursement for each school breakfast served that meets the U.S. Department of Agriculture’s nutrition guidelines. Studies show that children who participate in the School Breakfast Program have significantly higher standardized achievement test scores than non-participants. Children with access to school breakfast also had significantly reduced absence and tardiness rates.
