2020-21 school year.

Students must be 5 years old by
August 1, 2020

To prepare you to register your child for kindergarten, the below items are needed to complete registration.

If you do not have all of these items, no problem. We have resources to help you gather the needed documents.

- Your child's birth certificate
- Social Security card
- Immunization records
- Proof of residency (2)
- Parent/guardians' driver's license

Due to the closure of schools, our normal kindergarten registration and preschool enrollment activities are not possible.

We are still very excited about future kindergarteners and preschoolers attending one of our schools. In order to maintain the safety of everyone, we have several ways for families to begin the registration process:

1. Complete the form below and return to a CIPS school, the District Enrollment Center or the Board of Education.
2. Contact the District Enrollment Center at (859) 292-5864 Ext, 1. Leave your name and phone number and someone will return your call.
3. Follow this link: <https://bit.ly/CIPSKReg> to share your information. A staff member will contact you.
4. Kindergarten families can go to www.covington.kyschools.us to complete online registration. Click on the Parent tab, then Kindergarten Registration and follow instructions.
5. Preschool families, please contact Biggs Preschool at (859) 292-5895.

Please complete this form and drop off at a meal pickup location, District Enrollment Center, Board of Education or any district location. A staff member will contact you.
