# Board of Education Building

**ANNUAL NOTIFICATION  
Covington Independent Schools  
August/September 2021**

In accordance with EPA regulations, Covington Independent Schools, Board of Education building has been inspected for asbestos-containing material, both friable (easily crumbled) and nonfriable. Friable asbestos containing building materials may cause health problems. The identified asbestos-containing materials are managed in accordance with an Asbestos Management Plan, required by federal regulation.

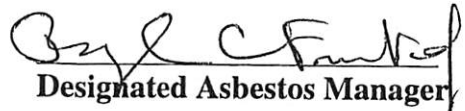

Records of the building inspection, response actions, and post-response action activities, including periodic surveillance activities and maintenance records are contained in the Asbestos Management Plan maintained in the school administration office and the Covington Independent Public Schools administrative office. The Asbestos Management Plan is available for review and copying at a reasonable cost during normal business hours.

For further information, interested persons should contact the administration office, 859- 392-1000.
