POLICY STATEMENT

Each year after the school receives the March 1 allocation from the local Board of Education, the school council will meet in an open meeting to decide the number of persons in each job classification in their school for the following school year. To accomplish this, the principal may bring a recommendation to the school council each year for their consideration or conduct a meeting for the purpose of discussing the staffing recommendations if requested by the council. The school council will consider the principal's recommendation and may discuss other options for the school in an open meeting. The council will approve the allocation by majority vote or consensus.

This school council policy shall also be consistent with the applicable indicators from the Standards and Indicators for School Improvement.
